In nance. When we get the Federal reserve bank up two armies of the Great Powers. There would be not less than 1,500,000 wounded and killed in a month once the forces were fully in the field. The thing as to that. True banking ought to stand with the nation that authorizes it, the one as sound as the oher.—New York World.

### Barbarism.

By EMORY J. HAYNES.

Who had the power, for the moment, to take the German Kaiser against the allies near Waterloo now. enlightened world by the throat? For we are taken Victor Hugo said of Napoleon at Haugomant: "This by the throat and strangling, till we can get these fellows' clutches off our windpipe. Is civilization, tream Guards of Wellington's army held Haugo- then, a mere sham? We were attempting "uplift" mant against the terrible assaults of the French work, employing ourselves in polishing and varnishwork, employing ourselves in polishing and varnishing the world. The poor were being cared for, the laborer insured, the ignorant schooled, and poetry and song were being distributed. Worship and spirand song were being distributed and song were being distributed. Worship and spirand song were being distributed and song were being distributed and spirand song were being distributed. Worship and spirand song were being distributed and spirand song were being distributed and spirand song were being distributed and spirand song were being distributed. Worship and spirand song were being distributed and spirand so inder Jerome Bonaparte. Blucher joined his forces ing the world. The poor were being cared for, the to those of Wellington and Napoleon lost Waterloo laborer insured, the ignorant schooled, and poetry And yet Victor Hugo insisted that French prog- itual culture were being inculcated. When lo, in a or three American relatives. He visited ess. as illustrated by the revolution, triumphed at single week, the entire structure of human society, appeal Waterloo, that "Robespierre on horseback" was all the very underpinning and brains of the house, tumthat was really defeated, that the allies found they ble down by a few Samsons' hands. There are no dare not dismember France, and were compelled to words to describe this. Except that we are still recognize the spirit of the revolution, and compel clothed we are like the savage tribes in the heart of

of man when he came to the throne.

Who did it? For we shall do some thinking to find out. The system of governments that could be loo is to be determined, and if he should win that so ruined by a few men has seen its end. We will not be at the hotel at that time were men of linduence in the public affairs of the day. nook of earth he may possibly be able to dictate rebuild government so that the catastrophe cannot nook of earth he may possibly be able to dictate rebuild government so that the catastrophe cannot terms to all Europe, but if, like Napoleon, he should lose, it will not be the destruction of Germany.

The development in industry and commerce in Germany in the last forty years has been the new spirit of enterprise in Europe. The allies may defeat and even dethrone the Kaiser, but they will be com-

and even dethrone the Kaiser, but they will be compelled to recognize the new industrial civilization which has been born and developed in Germany, and not only not try to destroy it, but make it the model for Europe.

Great peoples are not destroyed by war, even on the scale of the war now raging in Europe. The fale of the Kaiser will not remove Germany from the scale of the Kaiser will not remove Germany from the scale of the Kaiser will not remove Germany from the scale of the Kaiser will not remove Germany from the scale of the Kaiser will not remove Germany from the scale of the Kaiser will not remove Germany from the scale of the Kaiser will not remove Germany from the scale of the Kaiser will not remove Germany from the scale of the kaiser himself. As in a time of flood, each man needs to calm himself, control his fears, act rationally, if he as hard as he would he could not keep his eyes off of Parnell.

Great peoples are not destroyed by war, even on the scale of the war now raging in Europe. The fale elections will show that the himself is endeavoring to whith nostrouse. The collection was at a table diagonally across the aims table diagonally across the aims of seen enough. He is naused winter.

The Kansas Way.

Out in Kansas, where they have State-wide primaries, some persons are indignant because the people have nominated for district judge a bookkeeper she was a 'nice fellow.' But why blame the cause he was a 'nice fellow.' But why blame the cause he was a 'nice fellow.' But why blame the indigent and prosperous in the world, prefer bookkeepers for indees, why should they not have them? The whole of the rearrest with the voters. There are judges and bookkeepers and bookkeepers and bookkeepers and bookkeepers and bookkeepers, and it is by no means certain that one of the latter may not be much more satisfactory on the bench than a constitution of the much more satisfactory on the bench than a constitution of the passing of the Pedian and that which, because and that which, because and that which, because and that which, because of the property to be destroyed for military purposes and that which, because of the prevention of the subtroney for military purposes and that which, because of the prevention of the destroyed for military purposes and that which, because of the prevention of the day before, and was very important. The cavality proved as in this suit seems to me to present a new case under the target purposes and that which, because of the destroyed for military purposes and that which, because of the prevention of the quality. He absence of the raining that propertion of the prevention of the quality, the absence of the prevention of the quality, the absence of the prevention of the quality, the absence of the produc of the product, the absence of the de-terioration of the quality, the absence of the decreases of wages of the laborers and of the prices of materials, the ab-sence, in short, of all the elements of undue injury to the public and undue restraint of trade towards. undue injury to the public and unade restraint of trade, together with the presence of free competition, which in-creased the share of the competitors in battle line behind the army across the white and dusty turnpike. In groves and thickets, behind stone walls and ledges—watching, shooting, falling back when hard pressed, until at night—striking incidents of the spirit of the the interstate trade and decreased the much longer the superstition will live share of the defendants."

### payer? Foreign engine drivers get \$40

To the Editor: Time and the sequence Ago" today, you refer to a charge made by a brigade of the Second Army Crops, led by Col. Calvin A. Craig, of the 195th American people that they have an Ex- Pennsylvania Regiment. Col. Craig comecutive who is entitled to their implicit manded the 166th Pennsylvania Volum

THE WAR DAY BY DAY resolutely persisting in the course that was my father. Col. Craig was a cousin he thought right and for the best inpopular clamor both in and out of his party, will of itself stand as a lasting party, will of itself stand as a lasting monument to his greatness, preventing as it did the sacrifice of thousands of lives and the expenditure of hundreds of millions of dollars by our people.

Notwithstanding the Jones issue is a chester to the Lower Shenandoah Valley, with Early's Confederates in

striking incidents of the spirit of the people in resisting their depredations.

One of them recited an incident of two young girls who saw their favorite pony being ridden off by a negro, and who alone rescued the animals. Mr. Jones almost wholly because of his connection with the Harvester Company, would have changed their opinions and voted for his confirmation, and it is much to be regretted that they could not have become public sooner, while his nomination was pending. Coming as they do, however, they should nevertheless be a source of gratification to the President in their complete experience of Mr.
